We present this bright penthouse located in one of the most convenient and established areas of Torrevieja. With 83 m² of living space, this apartment offers spaciousness, comfort, and a highly functional layout, ideal for year-round living or enjoying holiday stays.

Located on the top floor of a well-maintained building, the apartment stands out for its excellent natural light thanks to its height and orientation, creating a warm and pleasant atmosphere throughout the day. Its surroundings offer all essential services within easy walking distance: supermarkets, cafes, public transport, medical centers, and leisure areas. Furthermore, it is only 1 km from the sea, allowing you to enjoy the promenade and beaches of...(Ask for More Details!)
