La Nucía Pines - Contemporary Two-Bedroom Penthouses for Sale in La NucíaPositioned on the fourth floor of La Nucía Pines, these two-bedroom penthouses offer a more private setting within one of La Nucía&39;s most interesting residential developments. With just three available, each home combines carefully planned interiors, generous natural light and its own outdoor space, with the added benefit of a private rooftop solarium.

The properties offer approximately 71.90 m² of built accommodation, with 62 m² of usable interior space. Inside, the layout brings together an open-plan living and dining area with a modern fitted kitchen featuring an island, creating a practical space that works equally well for everyday living
