1,065m²

N/A

A charming villa in Pinar de Campoverde, situated on a large plot of over 1,065 m² surrounded by pine trees and offering sea views.

The property is laid out over two floors-connected by an internal staircase but featuring independent entrances-and was built in 2002, then fully renovated in 2022/2023.

It comprises 3 bedrooms, 2 bathrooms, 2 living-dining areas, 2 fully equipped kitchens, 2 sunny terraces, a barbecue area, and a garage.

The owner has installed 14 solar panels and two batteries, significantly reducing electricity consumption. The plot offers space for a swimming pool and provides a peaceful, private, and
