Modern residential development of newly built villas in Pinar de Campoverde. A small development of just 5 villas, all built on a single level with a layout consisting of 3 bedrooms and 2 bathrooms, an open-plan living-dining-kitchen area, fully equipped with a central island and views of the private pool, on independent plots starting from 300 m².

Each villa also features a large solarium - perfect for enjoying the sun and beautiful views all year round.

The villas are in a privileged location, next to the natural park Río Seco and close to local amenities, sports facilities, and the nearby Lo Romero Golf Course, the Spanish town of Pilar de la Horadada,
