Los Frutales, Torrevieja, just 400 meters from the beach. For sale is the entire ground floor of a building, featuring 340 m² of built space and an 800 m² private plot with a swimming pool that belongs solely and exclusively to this ground floor unit. Since this is a tourist building, the change of use to residential is already permitted in the property deeds. According to a project concept we have designed to maximize ROI (return on investment), it is possible to build up to 8 units~
