Villa in Benissa

€1,190,000

4	3	311m²	605m²	✔

Immerse yourself in the tranquility and charm of the upper area of the exclusive Montemar residential estate. This unique, south-facing property-lovingly maintained by the same family since it was built-offers an exceptional quality of life and well-being.The house has been renovated, blending solid construction with every modern convenience. Spread across two floors, it comprises two independent living units, making it ideal for large families or for hosting guests with complete privacy. There is also a practical semi-basement with its own separate entrance, featuring a full bathroom, a laundry area, and ample storage space.Outside, a dreamlike plot invites you to enjoy the open air: a well-established garden surrounds a magnificent pool...(Ask for More Details!)
