Homes of perfect layout. Caelus is the first development of Talasa Utopian Village and in its first phase it will have 51 homes with 1, 2 and 3 bedrooms. The buildings of Talasa Caelus are designed as compact volumes. A response to the constant search for efficiency by the architects and designers of the residential. These decisions, which take place throughout the various key points throughout the residential, will ensure that your home is at the right temperature in both winter and summer. But, without a doubt, the main feature of the Talasa Caelus homes will be their large terraces. Of regular proportions, they are the ideal spaces in which to live outdoors....(Ask for More Details!)
